## 75th Anniversary & Wiener Wednesday

Wednesday, June 14 Integra First celebrated our 75th anniversary along with Wiener Wednesday. We handed out hot dogs with ice cream, and gave out gifts of appreciation at each office! We also had a raffle with the proceeds going to help the Menominee County Sheriff's Office purchase a new thermal imaging drone.

**Reality Fair**

Integra First staff participated in our first ever Financial Reality Fair for high school students at Carney Nadeau High School. Students visited different booths to make decisions on housing, transportation, and leisure activities while using an app to track their financial decisions. Their career choices determined their overall budget. We truly enjoyed this opportunity of working with the students.
